

A Meeting of the Knapton Parish Council took place on Tuesday 11th January 1983 7.30 pm in the Village Hall.

Present
The Chairman, Mr Hammond,
Mrs Heath and Messrs. Hicks, MacRae,
Spencer, Wild, A. Wild plus 4 members public.

Apologies
Received from Mr Paring.

Matters
From the meeting of 7.12.82 had already been circulated and were considered.

Matters Around

Bus Services

The Chairman read out a reply from Eastern Counties Omnibus Co. Ltd, which stated that improvements and modifications could be made if District and Parish Councils were prepared to raise money to subsidise the service. Mr. Spencer advised of an open meeting to be held in Mundelely on Wed. 12.1.83. Concerning this matter and said that a member of the Bus Co. would be present to answer questions, etc. Mr. Hammond and Mr. Spencer agreed to attend. Clerk to verify details of the meeting and put them on the Notice Board for public knowledge.

Mundelely Football Club

170 has now been received for 1983 season.

Flooding on B1145

A further letter has been received from Mr Emery enclosing a copy of his letter to North Norfolk District Council, complaining of flooding outside his property, and requesting further action. The road was badly flooded on the day of this meeting (4.1.83). Mr Hicks felt matters might be improved if the road level was raised. It was agreed that Clerk write to N.D.C. to say:- 1) The K.P.C. agreed with the comments made by Mr Emery.

2) Advising them that the road had again been badly flooded on 11.1.83.

3) Asking whether the N.D.C. thought that there ~~was~~ was any case for raising the level of the road since the digging out of the pit did not seem to have succeeded in solving the problem.

MADRA

Has written accepting the offer of the leasing of Knapton Playing Field and has requested that a draft lease be prepared. Discussion ensued. Mr. Spencer proposed that a lease be drawn up in the meantime while MADRA's plans were being finalised. DC was generally agreed that Mr. Hammond should therefore contact the Govt re details and the solicitors and should report further at next meeting.

Victoria Cottage

A letter has been received from N.D.C.

There has been correspondence between the Parish Council and the M.A.D.R.A., concerning a variation in the interpretation of the lease.

As a result agreement has been reached, and I enclose copies of the correspondence so that they may be filed with your copies of the leases for record purposes. Copies have been retained by ourselves.

Dear Sir,

Registration number 303995-Knapton Playing Field

I am writing as a follow-up to the letter dated 2nd. August 1991 from the Chairman of the Parish Council concerning the Census of Charities.

I am only able to confirm that it has not been possible to trace any cancellation of this Charity. However there is no doubt that it should be cancelled. The Charity was related to a piece of land sold to the Council in 1963 to form a Village Playing Field,

This land was then leased to the Mundesley and District Recreation Association in 1984 to form part of a much larger complex, and it is obvious that at that time, if not before, the Charity ceased to have any meaning. It should then have been cancelled, but I can only assume that this was overlooked by the Solicitors and the Council, as I can find no trace of the matter in these more recent papers

Would you please therefore cancel the registration.

Yours faithfully,

Don Venvell

Parish Clerk

to add that, as to the nominee being expected to be a MADRA club member, it had been minuted that whilst the Council might recommend this, it is up to the individual representative, whoever he/she might be, to decide that matter.

On a separate issue, it was proposed that Mr Brooke-Lander, seconded by Mr Undrill and agreed that the shelters and advertising bill supports that had been incorrectly placed on the Knapton Playing Field site, and without the Council as landlord being formally asked for permission, should be allowed to stay in position, until the end of the season only.

9. Report from Members

(i) **MADRA**

Mr Kemp reported that a plan for the extension had been drawn up and the landowners consent to release the land was awaited. This would result in the main football game not using the Knapton Playing Field. The Chairman requested that the Council should see the plans at an early stage.

(ii) **Police**

The Rivermount burglar had been arrested. There was an outbreak of thefts from cars, at present restricted to the coastal area.

(iii) **Woodland Trust**

A parking area of sorts has been made off Hall Lane. Mr Corney showed a letter from Mike Cunnington, the new Chairman, indicating that planning permission has been applied for. It was agreed that the Clerk should write to the Chief Planning Officer referring to this, to inform him that whether or not this application is to be put out for Parish Council views, the Council is and will be unanimously opposed to such a development because of the extreme danger of the road.

10. Any Other Business

(i) **Byelaws:** The Clerk was asked to obtain and circulate a copy of the byelaws recently made applying to Knapton Cutting.

(ii) **MADRA:** Children's play area - Mr Wild expressed concern at the lack of maintenance of the children's play area. It was agreed to remind MADRA, in general terms, of their responsibilities for safety in playground areas.

(iii) **Date of Next Meeting:** 1 February 1994 at 7.30 p.m. in the Methodist Church Room.
