## Village Short Stay Car Park

Our shiny new Village Short Stay Car Park, courtesy of [Victory Homes](#), is now **OPEN** to visitors to the village and users of the Village Hall.

It's sited in Hall Lane with safe pedestrian access almost opposite the Village Hall, with vehicular access via the entrance in [School Close](#).

- safe pathway around the perimeter of the car park
- **nine** car park spaces
- **one** disabled space
- **four** bicycle racks

Full details for use can be found on the Village Website.

We are very grateful to Shell, Interconnector, Perenco and National Grid for their kind sponsorship of this publication

**Knapton Parish Council**  
WORKING FOR A BETTER TOMORROW

## THE BALL'S IN PLAY...

A lot has happened in the 9 months since your current Parish Council was elected.

Fresh new faces have injected energy and enthusiasm which has resulted in the exciting approach adopted by the current council, which is driven by the desire to be addressing and resolving the concerns of our parishioners.

In the past, some issues were thought to be too difficult or expensive for the Parish Council to handle but I'm pleased to say that since May 2019, a re-energised council has faced them all head-on and got on with dealing with them, including;

- road safety Issues such as;
  - speeding in Hall Lane and Knapton Road, a new SAM2 camera about to be brought on-line
  - re-designing the junction of Hall Lane & Knapton Road, and
  - extending the speed limit in Hall Lane

We have approval from Highways and the support of both the Police and our new local MP to get on with both of these projects. Most of the funding is in place, thanks to our **Village Fete Committee, Victory Housing** and local government grants. How long it will take to make the changes is completely dictated by the Highways Department, but the ball is in play.

- working with Victory Housing to resolve the obstacles and challenges surrounding the new Wilds Way development and its impact on School Close, including opening our new Village Short Stay Car Park and re-siting the Millennium Beacon
- completing the improvements to the village playground which involved refurbishing the old play units and adding two more bigger play units, then having to deal with the mindless vandalism that followed
- developing a fresh new website designed for the whole village where you can read more about our progress and contribute your thoughts at:

<http://www.knaptonvillage.org>

Our new village website is growing into so much more as we bring together the Parish Council, the Village Hall & Fete committees, the Church and MADRA.

Diarise village events, find out what's happening in the Village Hall, dig into our village history or use our genealogy records to dig into your own, re-discover forgotten footpaths, walks and Quiet Lanes... and so much more.

It's your village, your website and we would love to hear from you.

Of course, if you'd like to be part of it and get involved, you can always come along to our Parish Council meetings, hear what's going on and have your say.

We hope to see you there.

## Parish Council Report – February 2020

No doubt the first thing the village will notice is that the Car Park is up and running at last. Knapton Parish Council has signed a Licence Agreement with Victory Housing Trust, who remain the owners of the car park. A sign at the entrance explained conditions of use. Anyone requiring overnight parking can obtain a permit (for one night only) from the clerk. The park would be left unlocked unless use of it was being abused, in which case locking, without notice, could take place.

Another approach would be made to Mundesley Parish Council. We hope they might share the cost of cutting the path from Knapton to Mundesley, which had been seen to be well used hopefully by some intending to spend money in Mundesley.

Some funding was available for a VAS machine in Knapton, but this would cover only part of the cost. Our Chairman has been in talks with Highways about the possibility of extending the 30mph limit to the south end of Hall Lane and restructuring the junction of the B1145, Hall Lane and The Street. It was hoped the latter would prevent traffic from driving straight onto Hall Lane from the B1145, without signalling or slowing. Both projects could be carried but at a large cost to the Parish Council.

The Parish Council has sent a letter of thanks to Tracey Tuttle at Bacton Gas for the excellent lunch, which was enjoyed by many of the Knapton residents, at the end of January.

Our Chairman had written to our MP requesting Knapton be used as a test bed for Broadband, which would result in better internet speeds. Liz Winter had registered the church tower as a position for an aerial but had had no response to date.

Concern was expressed about the proposed caravan park in Paston which could generate extra traffic using The Street. Currently the owner of the land was seeking to open the site to five caravans at a time, all members of The Caravan and Motorhome Club.

Parish Council Clerk

## Anglian Water In Your Area Notification

We're planning to carry out some essential work in your area.

For full details, please

visit: <https://inyourarea.digdat.co.uk/AnglianWater?id=MaintenanceAndImprovements.1605>

Name: Knapton First Time Sewerage Scheme

Status: Planned

Estimated Start Date: 18/06/2020

Estimated Completion Date: 18/06/2021

Dear Knapton Residents

I am writing to you as a valued and loyal member of Knapton community to ask for your help to keep the doors of our parish church open and the bells ringing.

As a small congregation we find that we are struggling to meet the expenditure in terms of the maintaining, upkeep and general running costs to preserve the fabric of the church; for example a share of one paid clergy member, insurance, electricity, church and churchyard maintenance and so on. We want to ensure that the church and churchyard are kept open, for not just the regular churchgoers, but our whole community.

I am hopeful that you would like to see, like us, the church continue to serve the community as a focal point of the village that acts not just in terms of weekly services for all, but also as a tourist attraction and venue for special events and service such as Easter and Christmas, as well as village weddings, baptism, funerals and concerts.

If you would like to become a Friend of Knapton Church and/or donate time or financially then please contact Liz on 722271 or Allison on 720826. If you'd like further information or wish to chat about how you can help keep Knapton's church at the centre of our community then Rev Andrew would be happy to hear from you [revandrewjones@gmail.com](mailto:revandrewjones@gmail.com).

Thank you for taking the time to read this and I hope our church can continue to be an important part of your community life.

***Rev Andrew, Rector***

### **Church Warden's Whispers**

Everyone is welcome to the Services which are well attended. There was an extra service which took place in Knapton on the 1<sup>st</sup> December when the Group Service moved to Knapton as there was heating problems in Mundesley.

The Village Candlelight Carol Service was on Sunday 22<sup>nd</sup> December at 6.30pm, it was very well attended with over 100 in the congregation. We enjoyed the mulled wine and mince pies, our thanks to Allison and David who organised the mulled wine. Allison and Vi were very busy decorating the church it looked lovely and there were many compliments. Thanks also to the Hammond Family who provided the lovely Christmas Tree, and decorated it too. A big thank you to all who contributed Wine and Mince Pies, those left after Christmas Day were taken to the Christmas Day Lunch at Mundesley Church Rooms. The Christmas Day service was led by Betty Taylor and it was a very family-oriented service with lots of carols and enjoyed by all. On Sunday 30<sup>th</sup> December Knapton hosted the Group Service and there were many compliments made on the decorating of the church. The regular pattern of services will continue through to Easter, with Mothering Sunday Service being a Morning Prayer.

### **“Knapton Then and Now”**

This year's fundraising event in the church is to upgrade the wiring and up-lights to conform with modern standards, and also to install an audio system to help at events as well as services. The event will take place during the first week of August 1<sup>st</sup> to 8<sup>th</sup>. The theme for our Heritage week is “Knapton Then and Now” this can cover most items of heritage in the village. With this in mind Alison Glaze who is our resident village historian with June and Richard Wild, has asked if anyone has any old photos of the village and/or their house for our ‘Then and Now’ display. She is

looking for photos of the village even, 30 or 40 years ago but older if possible! If you have one and we could take an up to date picture for the now that would be most appreciated. Another thought is if you have an old property and have a copy of the original deeds or estate agents advertising that we could borrow or copy we would love to hear from you!! All donations gratefully received and any other contributions with the 'Then and Now' Theme that relate for Knapton. We would also like to decorate the church with flowers for the event, if you would like to take part please let Liz or Allison know.

### **Knapton Village Hall**

A plea to everyone in Knapton Village.  
The village hall is a huge asset to our village and needs to be used! It can be hired very cheaply. You can host your own party, club or meeting there. It has a fully functioning kitchen and a seating capacity of at least forty. It is dry, light, airy and warm. So what are you waiting for?

But there is still some work to be done. For whilst we have thoroughly restored the main hall there is a small area of roof at the rear that is going to cost £1000.00 to repair properly. With this in mind we are arranging a quiz and chilli night for the evening of 24th April when for £7.50 you will be regaled with first-class home-made chilli con-carne and vegetarian options. Plus, cheese and any puddings, you might like to bring along. On evenings like this it's wonderful how people enjoy themselves in the hall but also are so generous in their support of the raffle. Of course, evenings such as this don't just happen. If anyone in the village would like to help this or any occasion please, please, tell me

Nick Holroyd  
Chairman of village hall committee - 01263 720356

### **New Hire Charges from 1<sup>st</sup> April**

**Sessions :** Morning 9:00 a.m. to 1:00 p.m.  
Afternoon 1:00 p.m. to 5:00 p.m.  
Evening 5:00 p.m. to 9:00 p.m.

**Village Hire: (i.e. Clubs)**  
£12.00 per session without heating - Heating £1 per hour.

**Private Hire: - Functions etc**  
£30.00 without heating – Heating £1 per hour

**Organisations outside village: (morning or afternoon)**  
£20.00 without heating – Heating £1 per hour

**Table Hire only: £20.00 (All) Hire of Chairs** £1 per chair.

**All booking enquiries to Mrs Mary Renwick-Forster (Booking Secretary) on 01263 720 908**

The hall is managed and maintained by volunteers and receives no funding. The programme of refurbishment is made possible by fundraising events such as the "Musical Garden Party" held in the walled garden of Knapton Hall; "Harvest Supper"; Cheese and Wine evenings and by the revenue from hire of the hall to local groups etc.

**REGULAR EVENTS:**

ZUMBA Gold 10 – 11am – Seated ZUMBA 1130 – 1230 TUESDAYS WEEKLY  
 Knapton Women's Own 2.15 pm 1<sup>st</sup> Tuesday of each Month  
 The Knitting and Stitching Group 1.30 pm 2<sup>nd</sup> and 4<sup>th</sup> Wednesday  
 Parish Council 7.30pm 1<sup>st</sup> Tuesday (unless advertised as differently)  
 Mundesley Players Fridays and Sundays (When in rehearsals)

**Zumba At Knapton**

What a fabulous year we have had. Every Tuesday morning there is a stirring in the village when the Village Hall is turned into a stress-free zone full of fun & laughter. We move to Latin rhythms; we sing along to Rock numbers & we also have fun with a few themed weeks such as Pirates & Halloween where the music reflects the theme.

Who can forget the fete when, after the warmup the skies opened but there was no stopping us!!! We were on our feel-good wave determined to see our exercise through! After that performance I was asked to put in not one but two extra classes into the mix.

Swing & Stretch is based on The Laban Technique. This is much more about loosening joints & stretching out areas of our bodies, still using music to motivate our movement exercising selective areas of our bodies.

An evening Zumba Gold class takes place on a Wednesday evening. This is slightly more high energy to help shake off that mid-week work feeling & push you through to the weekend. Fancy having a go. Come & join us - your first class is free!!

**Knapton Knitters Christmas Lunch.**

“Knapton Knitters ended the year with a Christmas Lunch, Secret Santa and quiz. We have had a busy year fundraising and knitting for various charities. A selection of blankets, hats and cardigans were delivered to Halsey House in time for Christmas, members will be busy knitting and crocheting more lap blankets, hats, twiddle muffs etc, for the N&N and various nursing homes and daffodils for MacMillan Cancer research. If you a wish to contribute and join in with this challenge, you are very welcome to either come along to one of our meetings or knit from home if you wish. All donations of wool, fabrics etc, are gratefully received. The Christmas Bazaar for Air Ambulance raised a total of £377.70 which exceeded all expectations, Thank you to all who came along and gave us your support. We never know when may need this service so please continue to help support it.

If you are a sewer, stitcher, crafter or are new to the village, why not come meet new friends and say hello. You don't have to live in Knapton to join in. We will be pleased to see you. We meet on the 2nd and 4th Wednesday of each month except August, Dec and Jan.

Happy New Year!!  
Anna Ovenden Organiser.

# 2020 Cancer Unit Appeal

*Bringing the best care closer to home*

Cromer Community and Hospital Friends need to raise

**£350,000**

to purchase equipment and furniture for the new North Norfolk Centre at Cromer Hospital

Please will  
you help?

1 in 2 people will develop cancer in their lifetime. It is extremely likely that you or someone you care about has been or will be affected.

Currently, if you reside within North Norfolk and are suspected of having cancer, your diagnosis and treatment will take place at the Norfolk and Norwich University Hospital. However, we are delighted to announce that March 2021 will mark the opening of the new North Norfolk Macmillan Centre at Cromer Hospital. Patients residing in the towns and villages across North Norfolk will then be able to avoid the numerous lengthy journeys to the NNUH, often while feeling unwell. They will have speedy access to first-class diagnosis and treatment of cancer closer to their home. The new services available will include Prostate Biopsy, Chemotherapy and Oncology. The new Centre will also provide 20,000 clinic, diagnostic and treatment visits per year.

The building cost is being shared by NNUH and Macmillan Cancer Support. Nevertheless, further funding is still required to purchase the highly specialised equipment, furniture etc. at an estimated cost of £500,000. Cromer Community and Hospital Friends (CCAHF) have accepted the challenge of raising this money.

The wonderful generosity of the public over the past year by fundraising and bequests to CCAHF has resulted in raising £150,000 towards our target. However, that leaves us with £350,000 still to raise in the next 12 months – a very ambitious figure for a small charity. We are certain that, with your enthusiastic assistance, we can work together and make this goal a reality.

Please support the 2020 Cancer Unit Appeal in any way you can – by donating, fundraising, being sponsored etc. Every £1 raised is truly appreciated and will make an immense difference to cancer care in North Norfolk.

### ADDITIONAL TRUSTEES REQUIRED

Cromer and District Foodbank is a voluntary Christian organisation and a registered charity operated as a company limited by guarantee. The board of directors of the company are also trustees of the charity. We supply food and other forms of support to those in need across the whole of the North Norfolk Area from Stalham to Holt and inland to Aylsham

We currently have 6 trustees and are looking to increase this, and we are particularly keen to recruit members who have one or more of the following skills and/or experience: finance and accountancy, human resources (especially working with volunteers), legal, and public relations.

Trustee meetings are held monthly at the foodbank premises in Cromer, at present in the afternoon but this can be reviewed if necessary. The posts are voluntary but reasonable expenses will be reimbursed.

If you are interested and would like to know more please phone Cromer and District foodbank on 07826 376343 or send an email to [info@cromerdistrict.foodbank.org.uk](mailto:info@cromerdistrict.foodbank.org.uk)

Thank you

Pete Wenham, Chair of Trustees.

The following items would be very welcome: Tinned Tomatoes, Tinned Meat, Tinned Fish, Tinned Vegetables, Tinned Potatoes, Long Life Milk – Semi skimmed or Full fat, Biscuits, Crisps, Chocolate treats, Instant Snacks – just add hot water, Sponge Pudding, Custard, Jam, Fruit Juice/Squash, Washing Powder and Liquid, Toilet Rolls, Children's Toothbrushes and Toothpaste. Currently, we have excellent stocks of **soup and baked beans**, so we do not need those items at present, although any other items will be gratefully received.

**Please note that we cannot accept any fresh food or items that contain alcohol.**

Financial donations are always welcome. Please see our website for details.

You can contact us by telephone 07826 376343 Monday to Friday 9am until 3pm. The office is open Monday to Thursday 9am until 12noon (closed on Friday).

**NB:** There is a collection point in the Church, please drop your donations into the box and it will be taken to the collection points in North Walsham or Cromer.

## Tales from the Compost Heap

Happy New Growing Year 2020

We are having a very mild winter, things have been sprouting already, the rhubarb has started growing it is already 10ins.high.

The seeds for all the greens will go in soon as they need a long growing season and firm ground.

The tomato seeds for the polytunnel will go in soon but not too early as they will get very leggy.

We have not pruned all our fruit bushes and apple trees, yet I did a few when the apples came off but it is quite a performance as we have about 30 trees.

We are still eating our own apples from last year in fact I am making a apple crumble today !!

Some of the potatoes have started sprouting but just rub the shoots off and they will be fine.

We have potatoes in a large tub in the polytunnel we will be tipping them out next week ,very exciting . Also, the strawberries we have in pots are looking good.

Lots off the allotment holders have leeks and kale so we still all have a lot of food to eat before we start again. And we have lots of water stored ready for the summer.

*It is very exciting growing new seeds for a new year.*

*Happy Growing for 2020. Green Fingers*
