WHAT'S HAPPENING IN YOUR AREA?

PC Gwynn and PC Robinson have been busy conducting hi-visibility patrols on our coastal areas which have been increasingly busy, along with patrolling around locations identified in our problem solving plans as set by the Safer Neighbourhood Action Panel (SNAP). The team have been supporting Covid patrols around the town and working in partnership with NNDC Covid Support Officers. Over the next month the team will be out and about in North Walsham and surrounding parishes to support our communities as we approach the easing of the lockdown rules, liaising with licenced premises and other businesses that start to open.

As a result of Community information, PC Gwynn discovered a small cultivation of cannabis offence in North Walsham. Please continue to contact your local beat manager with any issues or concerns within your Community.
