1. Apologies for Absence:

Cllr Greg Hayman, NNDC

2. Cllr Ed Maxfield reported:

A good result from the election. The Conservative party was in control of NCC.

NCC AGM would be held at the showground on 24th May. EM reassured the PC that no matter what Committees he might find himself on, he would be there to assist in any field.

A meeting would be held on 7th July to discuss plans for completion of the Western Link place. The cost would be very high but EM believed would be approved.

In the coming year the individual allowances to each County Councillor would be raised from £3,000 to £10,000, also the range of allowable projects would increase. EM would keep the PC informed. PL asked about constituency plans to combine Knapton with North Walsham West. EM explained that restructuring of boundaries to keep the numbers of constituents roughly the same, were in place but would not be implemented until after the next elections in four years' time.

EM was asked about the repairing potholes in Hall Lane. He had reported this. It was agreed that the clerk would collate a list of potholes in the area as received from residents, and forward to EM. PN thanked EM for his time and he left the meeting at 8.25pm
