E : Daisy.Woodward-Smith@norfolk.police.uk

The warmer weather appears to have finally arrived and with this more of us are venturing out and about. Norfolk Police have a new initiative which we are calling #ParkWalkTalk which will see our officers driving out to the parishes and towns, parking up and walking around the local community, taking advantage to stop and chat with local residents and business owners. If you see our officers out on foot beat, do give them a wave, or even better, walk with them and have a chat!

WHAT'S HAPPENING IN YOUR AREA?

PC Gwynn and PC Robinson have been very busy over the last month getting back out in to local towns and villages to engage with the public. They have been holding engagement events at the local supermarkets and been increasing their presence within the town by doing extra foot patrols.

They have also been out on patrol with the local Covid support officers throughout the town and providing support to our licensed premises in the lead up to the Euro's.
