

KNAPTON VILLAGE

United Kingdom Census 1901

The **United Kingdom Census 1901** was the 11th nationwide census conducted in the United Kingdom of Great Britain and Ireland, and was done on **1 April 1901** *“relating to the persons returned as living at midnight on Sunday, March 31st”*.

It records details of the **368 individuals** that were living in **Knapton** at the time, including their **place of resident, first and last names, relationship to the Head of the household, their age, occupation and place of birth.**

We've also shown marriage status of occupants over the age of 18 if known
