Hi Denise,

All Trustees are in agreement that the existing lease can be made public. We would like to reiterate, as previously stated, we would only be interested in negotiating terms with our landlord, Knapton Parish Council, and no other external person/entity.

If you need anything more from us please don't hesitate to get in contact.

Regards

To the Trustees of MADRA

Following our emailed agreement to make arrangements to allow the current lease between Knapton Parish Council (the Landlord) and the MADRA Charity (the Tenant) to be made publicly available, we are pleased to confirm that by a majority vote of members of the Parish Council it was agreed to ratify this arrangement, and with your agreement make the lease available to the public.

This is for the specific purpose of "being able to share the agreed changes and discussing other potential changes at a public meeting to be called by the Parish Council specifically for this purpose."

We look forward to receiving your reciprocal agreement by return.

Kind regards

Denise Revell
